Carrying On

The Wisconsin State Patrol has a long and proud heritage and those who have been part of that history in various roles are invited to join WSPAA.

Providing an opportunity to share past experiences (both the good and the bad) and learn about new initiatives while supporting the WSP is our goal. We also want to preserve artifacts, articles, and memories of WSP's illustrious history.

By joining the WSPAA you will be involved with others who served or are serving as uniformed or civilian members of the Wisconsin State Patrol.
